Proposal to credit to District Funds a fair proportion of the income at the cattle Show at Ghati, Doddballapur Taluk, during 1915-16.

From

The Deputy Comr., Bangalore District.

No. S. 571 Dated 3-3-16 Received 4-3-16

Diary No. 1599	Enclos. -	Spare Copies.	Serial No. 1

BRIEF ABSTRACT OF LETTER.

States that as the Distt Board had to incur a large expenditure of Rs 350/- for award of gold and silver medals and cash prizes etc in connection with the cattle Show at Ghati during 1915-16, they have resolved that the Revenue Depts should be requested to pay to the Distt Funds a fair proportion out of the income realized; and therefore, requests sanction for crediting to Distt Fund half of the amount collected on cattle assembled there and also the full collection of sale proceeds of manure to Dt Funds.

NOTES AND ORDERS.

V The Dy: Comr makes a reference to para 4 of Govt C. no. 7007-24/L.B-189-09-3 of 22-2-1911 in support of his recommendation.

2) The order quoted prescribes certain rules

for regulating cattle shows and the award of prizes thereat.

3) According to Rule 2, the cost of prizes awarded and of arrangements made including sanitary, should be met from private subscriptions, if any, and fees on cattle admitted to the show; and according to Rule 3, if the above income is insufficient, the excess should be met from Distt Funds and in the case of ~~fairs~~ shows held in connection with jatras, half the cost met from Distt Funds should be contributed by the temples concerned out of the income realized during the jatras, provided the amount of contribution is not in excess of the realizations.

4) As the report prescribed in Rule 8 of the G. O. has not yet been received in Branch IV, there is no means of knowing the several items of receipts and expenditure of the cattle show and what contribution should, according to the rules, be made from the temple for the cattle show.

5) From the figures for three previous years given in the Dy: Comr's letter, it will be seen that the only item of receipt, which according to the rules goes to meet the cost of the show, is the fees ~~not~~ realized on cattle admitted to the show

which is very little -

6) The proposal of the Dy: Comr: to credit to Distt Funds half of the amount of fees ~~as~~ collected on cattle assembled at the jatra and also the full collection of sale proceeds of manure ~~to~~ cannot be sanctioned under the rules in question.

7) In para 4 of his letter the Dy: Comr: states that fees collected on cattle during the jatra and the cattle show and the sale proceeds of manure seem to be legitimate income of the Distt Board, as it incurs an expenditure on account of conservancy establishment during the jatra and as the cattle stand on the Distt Board area.

8) The expenditure incurred on account of conservancy estabt during the jatra does not appear to be ~~very~~ much, as may be seen from the Distt Fund Administration Reports and Accounts for ~~the year~~ two or three years previous:-

temple, according to the rules, the actual cost has to be ascertained.

(2) If, as proposed by the Dy: Comr, half the amount of fees collected on cattle assembled at the jatra and also the full collection of sale proceeds of manure should be credited to the Distt funds, the existing rules have to be modified. Besides, the opinions of the other Dy: Comrs may have also to be ascertained.

(6) I am afraid the Dy Comrs arguments are not quite convincing. In the first place the cattle show has nothing to do with the jatra itself or collection of cattle at the jatra. It is a side show inaugurated at some time later

(6) Then why should the temple benefit by the proceeds of the side show?

for the encouragement of cattle breeders and owners and a separate fee is levied for the animals allowed to compete in the show. Under the G.O. of 22nd Feb. 1911 half the excess over the show is debitable to the temple. The necessary expenditure for conservancy and sanitation may also be debited to the temple. Beyond this it does not appear that the fair is marked to the temple.

excess exhibits?

17 How much?

14 The temple has spent very large sums recently for the convenience of men and cattle who may assemble at the fairs and the net income from the fairs is never likely to be much more than a fair dividend upon the investment.

15 It is alleged that the cattle stand in the District Board Area. I am doubtful about the correctness of this statement. If I remember right the fields in which a large proportion of the cattle stand belong to the temple

President, District Board,
Bangalore District.

To

V.R.Thyagaraja Iyer, Esq., M.A.,
Secretary to the Government of H.H.
the Maharaja of Mysore, Revenue Department.

Sir,

I have the honor to state that the Sub-Division Officer, Dodballapur, requested in his No.620 dated 18th December 1915, sanction for Rs.350/- for expenditure in connection with the Cattle Show at Ghati during 1915-16 for awarding gold and silver medals and cash prizes etc. The subject was placed before the District Board meeting held on the 17th January 1916 when it was resolved that as the District Board would have to incur the expenditure in connection with the cattle show, the Muzrai Department which gets a large income from the cattle show and shop tax etc. might be requested to pay to the District Funds a fair proportion out of the income realized.

2. The amounts realized and credited to Muzrai funds under several items during 1912-13, 1913-14 and 1914-15 are noted below.

	1912-13. Rs.	1913-14 Rs.	1914-15. Rs.
Fees on cattle	3,781-8-0	4,605-12-0	2,848-15-0
Sale proceeds of manure ...	81-0-0	82-0 -0	
Shop tax	538-11-0	577-3-9	
Fees collected from barbers.	5-0-0	3-0-0	964-6-8
Commission on currency notes	13-2-0	9-0-0	
Dubbi receipts	286-9-0	336-3-3	
Fees on account of tickets issued to the owners of the cattle brought to the show.	0-0-0	9-11-0	

3. The District Board has only a small income of about Rs.11/- but it has to incur a heavy expenditure. Para 4 of Government-- order No.7007-24/L.B.189-09-3 dated the 22nd February 1911 authorizes the Muzrai Department to contribute ½ of excess cost, ~~which~~

which would however not exceed its realization from fees etc. collected at the Jatra, incurred in connection with the holding of the Cattle show.

4. Fees collected on cattle during the Jatra and the Cattle Show and the sale proceeds of manure seem to be legitimate income of the District Board, as the Board incur an expenditure on account of conservancy establishment during the Jatra and as the cattle stand on the District Board area.

5. I therefore request that sanction of Government may kindly be obtained for crediting to District Funds a fair proportion i.e.half of the amount collected on cattle assembled there and also the full collection of sale proceeds of manure to District Funds.

Sir,

Adverting to your letter No.1086/Muz.663-15-2 dated 2nd November 1916, calling for further information in the matter of crediting to District Funds a portion of the income from the Jatra at Ghati Subramanya in the Dodballapur Taluk, I have the honor to report as follows:-

1. The income realized from fees on cattle admitted to the competition has been Rs.9/- in 1917 and Rs.9-6-0 in 1918.

2. Actual expenditure incurred on account of medals and cash prizes during the past 3 years is noted in the margin.

1916 ...	Rs.218/-
1917 ...	178/-
1918 ...	233/-

3. No distinction is made as to the expenditure on account of conservancy and sanitation separately for the Jatra and the show. The Board's regular staff attend to this work and this is supplemented by additonal establishment whenever necessary. The expenditure incurred on such additonal conservancy establishment during the jatra in 1918 was Rs.25/-.

4. It is not possible to differentiate between the cattle gathered on the temple lands and on Government land adjoining.

5. The temple authorities feed all the people gathered at the Jatra and latterly a large tank has been constructed out of the temple funds for the convenience both of men and cattle. A chattram has also been erected to the convenience of the people gathering there. Both these cost approximately Rs.60,000/-. The District Board spends -- practically nothing when compared to this large outlay from the temple funds and cannot equitably entitle them to claim any portion of the income from the Jatra.
